12120 THECHNICAL SPECIFICATIONS

ENGINE

Manufacturer Mercedes-Benz 165 @ 2400 rpm Power, hp Number and arrangement of cylinders 6 - in line Cycle and strokes Diesel - 4 strokes Cooling Water Fuel tank capacity, Itrs 300

TRANSMISSION

Mechanical Type Hydrostatic (opt) 4-speed Gear box Max. translation speed, km/h 30

FEEDER HOUSE

Type Conveyor chains, 3 Hydrostatic drive Reverser

THRESHING CYLINDER

Cylinder diameter and width, mm 560 - 1200 Number of rasp bars 8 295 Weight, kgs Standard cylinder speed range, rpm 400 - 1200

CONCAVE

N° of concave bars 12 110° Wrap angle

BEATER

6 Number of wings Diameter, mm 250 845 Beater speed, rpm

STRAW WALKERS

5 Number of straw walkers Clearing area, sqm 4.50 Walkers steps

CLEANING SYSTEM

Non-adjustable sieve and chaffer openings Sieve area, sqm 1.94 2.52 Chaffer area, sqm

CLEANING FAN

Type 6-blades Speed range, rpm 530 - 890N° of blow outlets 3

GRAIN TANK

5000 Capacity, Itr

TYRES

Front 30.5L x 32 18.4 x 24 Rear

CAB

Acoustic insolated and ergonomically placed controls make the cab a comfortable command center to the operator Windshield design provides clear view of the surrounding field

Air conditioner Driver seat adjustable to meet operator requirements

Comfortable passenger seat

Tilt and telescoping steering wheel adjustment to suit your preferences

Complete instruments panel and warming lights

Radio and cassette player

Right-hand joystick with all the routine controls

HEADER

Cutting width, mts	5.6 - 7.0
Full flexible cutting bar system	
Pick-up reel	6-bars
Hydraulic reel lift and fore-aft adjustments	i
Auger diameter, mm	520
Retractable fingers in the auger central se	ection
Bolted-on knifes for fast and easy replace	ment
Automatic header high control	
Header trailer included	

OPTIONALS

Automatic header high control Retractable fingers over the auger full width Grain losses control detector Straw spreader Integrated straw chopper Hydrostatic rear axel (M2120 Hydro)

WEIGHTS AND DIMENSIONS

Net weight w/o header, kgs	8600
Net weight w/ 7.0 m header, kgs	10150
Net weight w/7.0 header and grain tank w/full load,	14150
kgs	
Overall height, mts	4.10
Overall width, w/o header, mts	3.40
Overall length, w/o header, mts	7.60
Distance between axels, m	3.40
